**STATEMENT BY MANAGEMENT COMMITTEE**

We, **CHUA TONG YONG** and **TAN KWEE CHOON**, state that, in our opinion:

- (a) the accompanying statement of financial position, statement of comprehensive income, statement of changes in funds, statement of cash flows and the notes to the financial statements, including a summary of material accounting policy information thereon, as set out on pages 6 to 37 are drawn up so as to give a true and fair view of the financial position of the Society as at 31 March 2024 and the financial performance, changes in funds and cash flows of the Society for the financial year then ended;
- (b) the use of the donation moneys was in accordance with the objectives of the Society as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (c) the Society has complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

The Management Committee has, on the date of this statement, authorised these financial statements for issue.

On behalf of the Management Committee

*Mr Chua Tong Yong (President)*

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
BETHESDA CARE CENTRE)  
Unique Entity No. S96SS0198K**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of BETHESDA CARE CENTRE (the Society), which comprise the statement of financial position as at 31 March 2024, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the financial year then ended, and notes to the financial statements, including a summary of material accounting policy information, as set out on pages 6 to 37.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Singapore Societies Act 1966 (the Societies Act), Singapore Charities Act 1994 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRS) so as to give a true and fair view of the financial position of the Society as at 31 March 2024 and the financial performance, changes in funds and cash flows of the Society for the financial year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information**

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

**VERITY PARTNERS LLP**  
Chartered Accountants of Singapore

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
BETHESDA CARE CENTRE  
Unique Entity No. S96SS0198K**

**Other Information (continue)**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and the appropriate action in accordance with SSAs.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Societies Act, the Charities Act and Regulations and FRS, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
BETHESDA CARE CENTRE  
Unique Entity No. S96SS0198K**

**Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**VERITY PARTNERS LLP**  
Chartered Accountants of Singapore

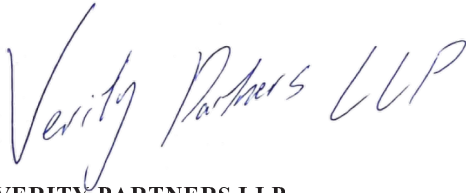

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
BETHESDA CARE CENTRE  
Unique Entity No. S96SS0198K**

**Report on Other Legal and Regulatory Requirements**

In our opinion, the accounting and other records required to be kept by the Society have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- (a) the Society has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the Society has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

These notes form an integral part of and should be read in conjunction with the accompanying financial statements:

1. GENERAL

The financial statements were authorised for issue by the Management Committee on 7 August 2024.

The Society is registered and domiciled in the Republic of Singapore. The Society is registered as a charity under Charities Act 1994 and an approved Institution of Public Character in accordance with Section 37(a) of the Income Tax Act 1947.

The registered office, which is also the principal place of operations, is located at Block 247, Hougang Ave 3, #01-462, Singapore 530247.

2. MATERIAL ACCOUNTING POLICY INFORMATION

2.1 Basis of preparation

The financial statements are drawn up in accordance with the the provisions of the Societies Act 1966 (the Societies Act), Charities Act 1994 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRS).

The financial statements are prepared in accordance with the historical cost convention, except as disclosed in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair values are categorised into different levels in a fair value hierarchy based on the degree to which the inputs to the measurement are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.1 Basis of preparation (continued)

- Level 3 fair value measurements are those from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Transfers between levels of the fair value hierarchy are recognised by the Society at the end of the reporting period during which the change occurred.

The preparation of financial statements in conformity with FRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision only affects that period, or in the period of the revision and future periods, if the revision affects both current and future periods.

Adoption of new and amended standards and interpretations

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Society has adopted all the new and amended standards which are relevant to the Society and are effective for annual financial periods beginning on or after 1 April 2023. The adoption of these standards did not have any material effect on the financial performance or position of the Society.

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.1 Basis of preparation (continued)

*Amendments to FRS 1 and FRS Practice Statement 2: Disclosure of Accounting Policies*

The Company has adopted the amendments to FRS 1 for the first time in the current reporting period. The amendments change the requirements in FRS 1 with regards to disclosure of accounting policies. Accounting policy is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements.

The supporting paragraphs in FRS 1 are also amended to clarify that accounting policy information that relates to immaterial transactions, other events or conditions is immaterial and need not be disclosed. Accounting policy information may be material because of the nature of the related transactions, other events or conditions, even if the amounts are immaterial. However, not all accounting policy information relating to material transactions, other events or conditions is itself material.

The Company has applied materiality guidance in FRS Practice Statement 2 in identifying its material accounting policies for disclosures in the related notes. The previous term 'significant accounting policies' used throughout the financial statements has been replaced with 'material accounting policy information'.

*Amendments to FRS 8: Definition of Accounting Estimates*

The Company has adopted the amendments to FRS 8 for the first time in the current reporting period. The amendments replace the definition of a change in accounting estimates with a definition of accounting estimates. Under the new definition, accounting estimates are 'monetary amounts in financial statements that are subject to measurement uncertainty'. The definition of a change in accounting estimates was deleted.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.1 Basis of preparation (continued)

Standards issued but not yet effective

The Society has not adopted the following standards applicable to the Society that have been issued but not yet effective:

<u>Description</u>	<u>Effective for annual periods beginning on or after</u>
Amendments to FRS 116: Lease Liability in a Sale and Leaseback	1 January 2024
Amendments to FRS 1: Non-current Liabilities with Covenants	1 January 2024
Amendments to FRS 1: Classification of Liabilities as Current or Non-current	1 January 2024
Amendments to FRS 21: Lack of Exchangeability	1 January 2025

The management committee expects that the adoption of the standards above will have no material impact on the financial statements in the year of initial application.

2.2 Functional and presentation currency

Items included in the financial statements of the Society are measured using the currency of the primary economic environment in which the Society operates (functional currency). The financial statements are presented in Singapore Dollar (S\$), which is the Society's functional currency.

2.3 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation is calculated on a straight-line basis so as to write-off the cost of the assets over their estimated useful lives, as follows:

Electrical and musical instruments	4 years
Furniture, fittings and office equipment	4 years
Leasehold properties	65 years or lease period of 36 to 37 months
Renovation	4 years

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.3 Property, plant and equipment (continued)

The residual values and useful lives of property, plant and equipment are reviewed, and adjusted as appropriate, at the end of the reporting period.

Subsequent expenditure relating to property, plant and equipment that has already been recognised is added to the carrying amount of the asset when it is probable that future economic benefits, in excess of the standard of performance of the asset before the expenditure was made, will flow to the Society and the cost can be reliably measured. Other subsequent expenditure is recognised as an expense during the reporting period in which it is incurred.

On disposal of an item of property, plant and equipment, the difference between the net disposal proceeds and its carrying amount is taken to profit or loss.

2.4 Financial assets

Classification and measurement

The Society classifies its financial assets in the following measurement categories:

- Amortised cost;
- Fair value through other comprehensive income (FVOCI); and
- Fair value through profit or loss (FVPL).

The classification depends on the Society's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial asset.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

The Society reclassifies debt instruments when and only when its business model for managing those assets changes.

At initial recognition

At initial recognition, the Society measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.4 Financial assets (continued)

At subsequent measurement

*Debt instruments*

Debt instruments of the Society mainly comprise of cash and cash equivalents and trade and other receivables.

There are three subsequent measurement categories, depending on the Society's business model for managing the asset and the cash flow characteristics of the asset.

The Society only has debt instruments at amortised cost.

Amortised cost: Debt instruments that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in interest income using the effective interest rate method.

Impairment of financial assets

The Society recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at FVPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Society expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms. ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Society applies a simplified approach in calculating ECLs. Therefore, the Society does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at the end of the reporting period. The Society has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment which could affect debtors' ability to pay.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.4 Financial assets (continued)

Impairment of financial assets (continued)

The Society considers a financial asset in default when contractual payments are 180 days past due. However, in certain cases, the Society may also consider a financial asset to be in default when internal or external information indicates that the Society is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Society. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade date - the date on which the Society commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Society has transferred substantially all risks and rewards of ownership.

On disposal of a debt instrument, the difference between the carrying amount and the sale proceeds is recognised in profit or loss. Any amount previously recognised in other comprehensive income relating to that asset is reclassified to profit or loss.

2.5 Trade and other receivables

Trade and other receivables are measured at initial recognition at fair value and subsequently at amortised cost using the effective interest rate method less an allowance for any uncollectible amounts.

The carrying amounts of these receivables approximate their fair values due to the short-term nature of these balances.

2.6 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cash at bank and unpledged fixed deposits.

The carrying amounts of cash and cash equivalents approximate their fair values due to the short-term nature of these balances.

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.7 Financial liabilities

The Society classifies its financial liabilities in the following categories: (a) financial liabilities at fair value through profit or loss; and (b) financial liabilities at amortised cost.

Financial liabilities are classified as financial liabilities at fair value through profit or loss if they are incurred for the purpose of short-term repurchasing (held for trading) or designated by management on initial recognition (designated under the fair value option). The Society does not have any financial liabilities classified at fair value through profit or loss at the end of the reporting period.

Financial liabilities are recognised on the statement of financial position when, and only when, the Society becomes a party to the contractual provisions of the financial instrument.

Financial liabilities are recognize initially at fair value, plus, in the case of financial liabilities other than derivatives net of directly attributable transactions costs.

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest rate method, except for derivatives, which are measured at fair value.

A financial liability is derecognised when the obligation under the liability is extinguished. For financial liabilities other than derivatives, gains and losses are recognised in profit or loss when the liabilities are derecognised. Net gains or losses on derivatives include exchange differences.

2.8 Trade and other payables

The carrying amounts of these payables approximate their fair values due to the short-term nature of these balances.

2.9 Related party

Related party is a Society in which certain committee members have significant influence.

Trading transactions with the related party are carried out in the normal course of business based on terms agreed between the parties.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.10 Leases

*(i) When the Society is the lessee*

At the inception of the contract, the Society assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

• Right-of-use assets

The Society recognised a right-of-use asset and lease liability at the date which the underlying asset is available for use. Right-of use assets are measured at cost which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement date and lease incentive received. Any initial direct costs that would not have been incurred if the lease had not been obtained are added to the carrying amount of the right-of-use assets.

These right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

Right-of-use assets (except for those which meets the definition of an investment property) are presented within “Property, plant and equipment”.

Right-of-use asset which meets the definition of an investment property is presented within “Investment properties”.

• Lease liabilities

The initial measurement of lease liability is measured at the present value of the lease payments discounted using the implicit rate in the lease, if the rate can be readily determined.

If that rate cannot be readily determined, the Society shall use its incremental borrowing rate.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.10 Leases (continued)

Lease payments include the following:

- Fixed payment (including in-substance fixed payments), less any lease incentives receivables;
- Variable lease payment that are based on an index or rate, initially measured using the index or rate as at the commencement date;
- Amount expected to be payable under residual value guarantees;
- The exercise price of a purchase option it is reasonably certain to exercise the option; and
- Payment of penalties for terminating the lease, if the lease term reflects the Society exercising that option.

For contract that contain both lease and non-lease components, the Society allocates the consideration to each lease component on the basis of the relative stand-alone price of the lease and non-lease component. The Society has elected to not separate lease and non-lease component for property leases and account these as one single lease component.

Lease liability is measured at amortised cost using the effective interest method. Lease liability shall be remeasured when:

- There is a change in future lease payments arising from changes in an index or rate;
- There is a change in the Society's assessment of whether it will exercise an extension option; or
- There is a modification in the scope or the consideration of the lease that was not part of the original term.

Lease liability is remeasured with a corresponding adjustment to the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

- Short term leases and leases of low value assets

The Society has elected to not recognised right-of-use assets and lease liabilities for short-term leases that have lease terms of 12 months or less and leases of low value assets, except for sublease arrangements. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.10 Leases (continued)

*(ii) When the Society is the lessor*

Leases in which the Society does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising from operating leases on the Society's investment properties is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Unearned income relating to future period is included in contract liabilities.

2.11 Revenue recognition

Revenue is measured based on the consideration to which the Society expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Society satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Café sales, food and refreshments

The Society runs a café and provides food and refreshments at its premises. The amount of revenue recognised is based on the selling price. Revenue is recognised at a point in time when the food items and beverages are served to its customers for consumption, either in at its premises or as takeaways.

Sale of books, T-shirts, vests and others

The Society runs an after school care center at its premises and sells books, T-shirts, vests and other apparels to its students. Revenue is recognised at a point in time when the goods are delivered to the students and all criteria for acceptance have been satisfied. The amount of revenue recognised is based on the selling price.

Student care fees and holiday programme fees

The Society charges fees to its student for its student care services. Revenue is recognised over time, over the periods in which these services are provided.

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.11 Revenue recognition (continued)

Registration fees

The Society charges registration fees to its student for its student care services. Revenue is recognised at a point in time when the registration services are rendered.

Tuition and course fees

The Society charges fees to its students for its tuition programs and courses. The amount of revenue is recognised over the period in which these services are provided.

Traditional Chinese Medicine (TCM)

The Society runs a TCM clinic at its premises. Revenue is recognised at a point in time when the services are provided.

All other income is recognised when cash are received.

Donation income is recognised on receipts basis.

Interest income is recognised on a time proportion basis using the effective interest rate.

2.12 Employee benefits

As required by law, the Society makes contributions to the Central Provident Fund (CPF). CPF contributions are recognised as compensation expenses in the same period as employment that gives rise to the contributions.

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

These expenses are charged to profit or loss as and when they arise and are disclosed as part of staff costs.

2.13 Government grants

Government grants are recognised when there is reasonable assurance that the Society will comply with conditions related to them and that the grants will be received.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.13 Government grants (continued)

Grants related to income are recognised in profit or loss over the periods necessary to match them with the related costs that they are intended to compensate. The timing of such recognition in profit or loss will depend on the fulfillment of any conditions or obligations attached to the grant.

Grants related to assets are presented as liability in the statement of financial position. The profit or loss will be affected by a recognising deferred income in profit or loss systematically over the useful life of the related asset.

2.14 Impairment of non-financial assets

Property, plant and equipment are reviewed for impairment whenever there is any indication that these assets may be impaired. If any such indication exists, the recoverable amount (i.e. higher of the cash-generating unit's fair value less cost to sell and value in use) of the asset is estimated to determine the amount of the impairment loss.

For the purpose of impairment testing of these assets, recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If this is the case, recoverable amount is determined for the cash-generating unit to which the asset belongs to. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. The impairment loss is recognised in profit or loss unless the asset is carried at revalue amount, in which case, such impairment loss is treated as a revaluation reserve.

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior reporting periods. A reversal of impairment loss for an asset is recognised in profit or loss, unless the asset is carried at revalued amount, in which case, such reversal is treated as a revaluation increase.

2.15 Taxation

As a charity, the Society is exempted from income tax under the Income Tax Act 1947.

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3.1 Critical judgements in applying the Society's accounting policies

The management is of the opinion that any instances of application of judgements are not expected to have a significant effect on the amounts recognised in the financial statements.

3.2 Useful lives of property, plant and equipment

The management of the Society determines the estimated useful lives and related depreciation expense for the property, plant and equipment. The management of the Society estimates useful lives of the property, plant and equipment by reference to expected usage of the property, plant and equipment, expected repair and maintenance, and technical or commercial obsolescence arising from changes or improvements in the market. The useful lives and related depreciation expense could change significantly as a result of the changes in these factors.

3.3 Impairment of leasehold properties

Leasehold properties are reviewed for impairment whenever there is an indication that this asset may be impaired. An assessment is made at the end of the reporting period whether there is any indication that the asset may be impaired. If any such indication exists, the recoverable amount of the asset is estimated to ascertain the amount of impairment loss. This assessment requires significant judgment.

3.4 Allowance for impairment of trade receivables

ECLs are unbiased probability-weighted estimates of credit losses which are determined by evaluating a range of possible outcomes and taking into account past events, current conditions and assessment of future economic conditions.

The Society has used relevant historical information and loss experience to determine the probability of default of the instruments and incorporated forward looking information, including significant changes in external market indicators which involved significant estimates and judgments. The Society's historical credit loss experience and forecast of economic conditions may also not be representative of the customer's actual default in the future.

**BETHESDA CARE CENTRE**  
**(Registered in the Republic of Singapore)**

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

4. PRINCIPAL ACTIVITIES

The principal activities of the Society are those relating to the promotion of relationship enrichment, and provision of community assistance, pastoral care and counseling to the community.

Three members of the Society hold the leasehold property with carrying amount of S\$1,764,009 (2023: S\$1,793,908) in trust for the Society.

During the reporting period, the Society's additions of property, plant and equipment totalling S\$146,087 (2023: S\$79,633) of which S\$115,127 (2023: Nil) was acquired under lease arrangement. The balance of S\$30,960 (2023: S\$79,633) was acquired by cash.

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

6. LEASES

The Society has lease contracts for leasehold properties. The Society's obligations under these leases are secured by the lessor's title to the leased assets. The Society is restricted from assigning and subleasing the leased assets. There are several lease contracts that include extension options which are further discussed below.

The carrying amount of rights-of-use assets classified within property, plant and equipment and the related depreciation charges during the reporting period were as follows:

	2024	2023
	S\$	S\$
Carrying amount		
Leasehold property	<u>105,533</u>	<u>24,644</u>
Depreciation charges		
Leasehold property	<u>34,238</u>	<u>32,859</u>

The carrying amount of lease liabilities and maturity analysis of lease liabilities are disclosed in Note 11.

During the reporting period, interest expenses on leases are charged to profit or loss as follows:

	2024	2023
	S\$	S\$
Interest expense on lease liabilities	<u>1,458</u>	<u>1,340</u>

During the reporting period, total cash outflow for leases as follows:

	2024	2023
	S\$	S\$
Total cash outflows	<u>64,887</u>	<u>54,545</u>

**BETHESDA CARE CENTRE**  
(Registered in the Republic of Singapore)

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

7. OTHER RECEIVABLES AND PREPAYMENTS

	2024	2023
	S\$	S\$
Amount owing by a related party	948	-
Deposits	24,427	16,227
Government grant receivables	-	15,072
Interest receivables	5,293	4,444
Prepayments	10,618	1,200
	<u>41,286</u>	<u>36,943</u>

The amount owing by a related party is non-trade related, unsecured, non-interest bearing and will be repayable on demand.

8. CASH AND CASH EQUIVALENTS

	2024	2023
	S\$	S\$
Cash and bank balances	776,508	496,248
Fixed deposits, unpledged	1,420,681	1,400,000
	<u>2,197,189</u>	<u>1,896,248</u>

The effective interest rates of the fixed deposits ranged from 3.20% to 3.50% (2023: 3.30% to 3.75% per annum) at the end of the reporting period.

The maturity periods of the fixed deposits ranged from 3 to 6 (2023: 2 to 6) months from the end of the reporting period.

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

14. INCOME (CONTINUED)

During the reporting period, the Society organised an online fundraising event entitled "Stride and Ride For Good 2023." This virtual activity, which included options to walk, run, or cycle, took place from 27 July 2023 to 15 October 2023. The campaign was aimed to raise funds for areas of care such as direct assistance for the needy and underprivileged, and strengthening relationships between individuals in the community. The Society had received a total of S\$299,165 in gross donations and incurred expenditures amounting to S\$5,138 for the event. (2023: The Society did not carry out any fund-raising appeals)

15. STAFF COSTS

	2024	2023
	S\$	S\$
Salaries and other remuneration	817,979	600,614
Benefits-in-kind	940	440
CPF contributions	119,283	89,269
Other staff costs	17,087	35,769
	<u>955,289</u>	<u>726,092</u>

None of the Society's staff receives more than S\$100,000 in annual remuneration.

Included in the above staff costs were the following:

	2024	2023
	S\$	S\$
Key management personnels:		
Salaries and other remuneration	177,520	58,840
Benefits-in-kind	940	440
CPF contributions	26,859	10,081
	<u>3</u>	<u>1</u>

16. OTHER OPERATING EXPENSES

18. RECONCILIATION OF LIABILITIES ARISING FROM FINANCING ACTIVITIES

The table below details changes in the Society's liabilities arising from financing activities, including both cash and non-cash changes. Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the Society's statement of cash flows as cash flows from financing activities.

	2023	Cash flows	<u>Non-cash</u> <u>changes</u>	2024
	S\$	S\$	S\$	S\$
Amount owing to a related party	119,052	(120,000)	-	(948)
Lease liabilities	<u>29,559</u>	<u>(38,635)</u>	115,127	<u>106,051</u>

	2022	Cash flows	<u>Non-cash changes</u>		2023
	S\$	S\$	Rental rebates	Love gift from a related party offsetted	S\$
Amount owing to a related party	-	269,052	-	(150,000)	119,052
Lease liabilities	<u>63,947</u>	<u>(34,163)</u>	<u>(225)</u>	-	<u>29,559</u>

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

19. OPERATING LEASE COMMITMENTS

At the end of the reporting period, the Society had the following future lease receivables under non-cancellable operating leases in respect of rental of its leasehold property:

	2024	2023
	S\$	S\$
Year 1	107,500	24,200
Year 2	90,000	-
Year 3	90,000	-
Year 4	7,500	-
	295,000	24,200

20. FINANCIAL INSTRUMENTS

Categories of financial instruments

The financial instruments as at the end of the reporting period were:

	2024	2023
	S\$	S\$
Financial assets, at amortised cost	2,227,857	1,917,229
Financial liabilities, at amortised cost	1,669,811	1,677,197

Financial risk management

The main risks arising from the Society's financial instruments are credit risk, interest rate risk and liquidity risk. The policies for managing each of these risks are summarised as follows:

20.1 Credit risk

Credit risk is the potential loss arising from any failure by the customers or debtors to fulfill their obligations as and when these obligations fall due.

As the Society does not hold any collateral, the carrying amounts of the financial assets represent the Society's maximum exposure to credit risk. No other financial assets carry a significant exposure to credit risk. There is no concentration of credit risk with respect to trade receivables at the end of the reporting period.

Credit risk on bank deposits is limited as these balances are placed with a financial institution which is regulated. Trade and other receivables that are neither past due nor impaired are creditworthy debtors with good collection track record with the Society. There are no classes of financial assets that are past due and/or impaired.

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

20. FINANCIAL INSTRUMENTS (CONTINUED)

Financial risk management (continued)

20.1 Credit risk (continued)

Trade receivables are non-interest bearing and are generally on 30 days' terms. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

The management is of the opinion that there is no significant collection losses associated with its debtor balances as the management has credit policies in place and the exposure to credit risk is monitored on an ongoing basis.

20.2 Interest rate risk

Interest rate risk is the risk to earnings and value of financial instruments caused by fluctuations in interest rates.

The Society's exposure to risk for changes in interest rates relates primarily to its interest-bearing fixed deposits. The Society adopts a policy of constantly monitoring movements in interest rates to obtain the most favourable interest rate available in the market. Presently, the Society does not use derivative financial instruments to hedge its interest rate risk.

The management has assessed that for a 50 basis point change in fixed deposits interest rate at reporting date, assuming all other variables remain constant, the Society's exposure to the changes in interest rate is minimal and hence the resulting impact on profit or loss and accumulated funds of the Society is insignificant.

20.3 Liquidity risk

Liquidity risk is the risk the Society is unable to meet its cash flow obligations as and when they fall due.

The Society monitors its cash flow actively. The management expects the cash flows generated from normal course of operations to be adequate to ensure liquidity.

An ageing analysis of the Society's financial liabilities based on the remaining period at the end of the reporting period to the contractual maturity dates is included in Note 11 of the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2024**

20. FINANCIAL INSTRUMENTS (CONTINUED)

Capital management

The society's objectives when managing capital are to safeguard the Society's ability to continue as a going concern and to maintain an optimal capital structure. The Society manages its capital structure and makes adjustments to it in accordance to its capital requirements. The capital structure of the Society consists of unrestricted and other funds.

No changes were made to the objectives, policies or processes since the end of the last financial year.

The Society is not subject to any externally imposed capital requirements.

21. RESERVES POLICY

The Society's reserves position at the end of the reporting period were as follows:

	2024	2023	Increase / (Decrease)
	S\$	S\$	
Accumulated fund (unrestricted)	2,795,776	2,744,572	1.87%
Restricted funds	<u>(334,576)</u>	<u>(556,576)</u>	-39.89%
Total funds	<u>2,461,200</u>	<u>2,187,996</u>	
Ratio of unrestricted fund to annual operating expenditure	<u>1.83</u>	<u>2.33</u>	

The reserves that the Society has set aside provide financial stability and the means for the development of its principal activities. The management committee has set the Reserve Ratio to be 1.5.
